If you meet the requirements stated on this bulletin, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who take this test, and all candidates who pass will be ranked according to their scores.

The State Personnel Board reserves the right to revise the examination plan to better the needs of the service if the circumstances under which this examination was planned change. Such revision(s) will be in accordance with civil service laws and rules and all competitors will be notified.

Examination Locations: When a written test is part of the examination, it will be given in such places in California as the number of candidates and conditions warrant. Ordinarily, qualifications appraisal interviews are scheduled in Sacramento, San Francisco and Los Angeles. However, locations of interviews may be limited or extended as conditions warrant.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional; 2) departmental promotional; 3) multi-departmental promotional; 4) service-wide promotional; 5) departmental open; and 6) open eligible list. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in one to four years unless otherwise stated on this bulletin. In the case of continuous testing examinations, names are merged into the appropriate lists in order of final test scores (except as modified by veterans preference credits) regardless of the date of the test and the resulting eligible lists will be used only to fill vacancies in the area shown on the bulletin.

Promotional Examinations Only: Competition is limited to employees who have a permanent civil service appointment with the testing department or must be: 1) a current or former legislative employee meeting the criteria defined in Government Code (GC) Section 18990; or 2) an exempt employee meeting the criteria defined in GC Section 18992 at the time their application is filed, in order to take the examination. Under certain circumstances other employees may be allowed to compete under provisions of Rules 234, 235, and 235.2. State Personnel Board Rules 233, 234, 235, 235.2 and 237 contain provisions regarding civil service status and eligibility for promotional examinations. These rules may be reviewed at departmental personnel offices or at the Information Counter at the State Personnel Board.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Interview Scope: If an interview is conducted, in addition to the scope described on the other side of this bulletin, the panel will consider education, experience, personal development, personal traits, and fitness. In appraising experience, more weight will be given to the breadth and recency of pertinent experience and evidence of the candidate's ability to accept and fulfill increasing responsibilities than the length of their experience. Evaluation of a candidate's personal development will include consideration of their recognition of their own training needs, their plans for self-development; and the progress they have made in their efforts toward self-development.

High School Equivalence: Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways: 1) passing General Education Development (GED) Test; 2) completion of 12 semester units of college-level work; 3) certification from the State Department of Education, a local school board, or high school authorities that the candidate is considered to have education equivalent to graduation from high school; or 4) for clerical and accounting classes, substitution of business college work in place of high school in a year-for-year basis.

Rule 235: An employee who has moved from one agency without a break in service may participate in the promotional examination for the agency from which that employee moved while employed under probationary status, limited-term appointment, or temporary authorization (TAU). If a promotional examination is being held for an agency to establish an employment list for an administrative, professional or technical class, an employee of another agency who is otherwise eligible may participate if that employee had promotional eligibility in the designated agency at the time within the three years of the date of examination and has had no subsequent break in state service by resignation, non-disability retirement or removal for cause.

Veteran's Preference: California law allows the granting of veteran's preference points in Open entrance examinations and Open-Non-promotional examinations.
